Message: I'm right around the corner from Greyhound. It's a shitty spot. If you're parTying we can definitely hang until 11pm. See my details below.

---I'm free and available today and tonight, and I can either host or travel. Below are some answers to frequently asked questions about my location, space, and what I'm into. If you're still interested, HMU!

🧑 About Me* I'm a **total top** who likes to **parTy and seriously chill**. I believe in taking our time and will **never rush or pressure** you.* I'm open to a lot, but I have **five absolute non-negotiables** on my "Absolutely Not!" list: **women, children, blood, scat, or urine.*** I enjoy watching **porn** and prefer to **parTy by smoking**.* I'm down with just hanging out only (no sex expected hookups).

###📍 Location & Hosting* I'm located **downtown**, very close to the **Garnett MARTA station** and the **Greyhound station**.* I

The Space (Please Read Carefully)* My place is a **private room at the Welcome House** (a transitional housing facility) at **234 Memorial Drive SW**.* The room is **messy** and amenities are basic: a **twin-sized bed**, a sink, a refrigerator, and a **Chromebook with WiFi** for entertainment.* The **shared bathroom** is right next door.* All visitors **must have state-issued photo ID** for entry into the Welcome House.* All visitors **must be off the property by exactly 11:00 PM, no exceptions.*** ***ParTYing is OK** at Welcome House.

Logistics & Contribution* **Parking is available** (off-street and side street) at Welcome House.* I can **travel**, but I do not have transportation. I would need your assistance getting to your location and back home.* I have **no parTy supplies, apparatuses, or anything to contribute** other than a partially working torch and a can of butane.
